

Lead Different.

Because Jesus-centered
leadership changes
everything.

ARE YOU READY TO *LEAD DIFFERENT?*

Arrow Leadership Program™ • Emerging Stream • Launching June 2022
Focused on the context of God's work in the USA and around the world.

CAN YOU RELATE?

“How do I lead in the midst of chaos?”

Our heartbeat is helping you be led more by Jesus, lead more like Jesus and lead more to Jesus. The Arrow Leadership Program™ has been coming alongside leaders like you for the past 30 years with time-tested, Jesus-centered teaching and guidance.

“I don’t just want to grow sharper as a leader, I want to grow deeper with Jesus.”

As you journey through the program, your soul will be strengthened and equipped to live and lead more effectively through Jesus-centered transformation.

“I long to find God’s perspective for my life and leadership.”

We help you hear and discern God’s voice and your next steps as you grow in character and capacity for greater Kingdom impact.

“I know I need to invest in my development, but I’m not sure if an academic program is for me right now.”

You can leverage your Arrow training toward a master’s degree or Doctor of Ministry down the road through one of our academic partnerships.

“I don’t have a lot of finances...”

We’re committed to your leadership journey, for you to be led more by Jesus, lead more like Jesus and lead more to Jesus. We can explore scholarships and payment plans with you.

We can relate. We’re here for you.

LEAD DIFFERENT.

Ready to Lead Different? Do you feel God prompting you to lead boldly, courageously and effectively—as a Jesus-centered leader? Building on 30 years of experience working with thousands of leaders, we can help you in your personal and leadership development to Lead Different.

Jesus-Centered Transformation –

Jesus is the leader of leaders. He's also at the center of all we do. There's simply nobody better to learn from, follow or focus on. Your Arrow experience will stir a fresh awe of Jesus in you and draw you closer to him.

Engaged Learning in Community Over Time –

Jesus didn't develop his disciples in a weekend. That's why we follow his example in developing leaders in community over time. We leverage three four-day intensives, regular virtual connections and peer-to-peer learning to maximize your transformation.

Mentoring, Training and Coaching –

Our team of leadership specialists engage you in spiritual formation, critical leadership skills and God's heart for evangelism. Our gifted mentors walk with you, provide safe space and actively help you process life and leadership.

Assessments and Individualized Feedback –

Since self-awareness is key for long-term health and effectiveness, you will receive professional assessments, feedback and one-to-one coaching to guide you forward.

Leaders will need to set aside 5-10 hours a week for course requirements (monthly mentor meeting, monthly small group meeting, monthly commitments with required readings and assignments) in addition to attending the On-sites.

WHAT'S INCLUDED?

The Arrow Leadership Program™ is an 18-month highly personal, intentional and transformational experience which includes:

I would choose Arrow over and over again because it has been so transformational. I not only formed close relationships with my classmates, but relationships were strengthened back home. I am so excited and anticipating how God is going to use this journey 10 years from now!”
