What is Arrow Entrepreneur?

Being Jesus-centered changes everything...

Arrow Entrepreneur is a fast-paced, high touch, professionally facilitated learning lab—a space where you can step back, and work *on* your business not *in* it.

Quarterly meetings are a blend of Ted-talk style content and application exercises designed to crack open space for you to work on your business, your relationships, and your spirit.

Arrow Entrepreneur is a space where you encounter other business owners who want to re-imagine their strategies, profit, and impact.

Join the movement of Christian entrepreneurs across Canada who are stretching beyond conventional success to powerful Kingdom impact.

We are a family of business leaders dedicated to changing the world... by allowing Christ to change us.

Join a generation of Jesus-centered entrepreneurs as we build a better world, one business at a time.

“The Arrow Program was a HUGE game changer for me. There is nothing like it. The training, mentorship and community of leaders took me to the edge. This is where I found out what I was made of and what God wanted to make of me. Leadership is WHO we are more than what we do.”
