

Sharpening Leaders Initiative™

Helping you develop your
teams and leaders.

Reality Check.

The current state of Christian leaders.

Only **21%** of Christian non-profit leaders have confidence in their ability to lead.

58% of Christian leaders feel inadequate about their work.

77% of non-profits do not have any type of leadership development program.

Only **37%** of non-profits seek to address gaps in leadership competence.

Leadership matters!

As the leader goes, so goes the organization...

We're here to help!

The Sharpening Leaders Initiative™ helps Christian organizations and churches strengthen their leaders and build their teams to meet today's challenges and capitalize on tomorrow's opportunities.

Using Jesus-centered training, experiential learning and innovative tools, we sharpen leaders, equip teams and help create a culture of growth and development.

The Sharpening Leaders Initiative™ is a tailored leadership and team development experience provided for you and your people in your location at your pace. Specifically, the Sharpening Leaders Initiative™ includes:

- A pre-survey to assess topics of priority for your group's learning and development
- Four two-day leadership development summits over 12-18 months for your group of 25-50 people
- Three webinars to conveniently provide practical training on key topics
- Monthly emails with critical resources for leaders
- Peer learning in groups of four to five members from your organization
- Ongoing support and feedback from our team
- A formal evaluation and report of your group's development through their experience in the Sharpening Leaders Initiative™

Next Step.

“We’ve been impressed by the quality and integrity of the Arrow Team and the impact on the participants of the Sharpening Leaders Initiative™. We have seen our leaders grow in passion for Jesus and mission focus, while at the same time developing their own spirituality and leadership competencies.”
