

ALP 360 Resources

Approaches

Use these resources to focus your learning on Arrow's mission of being "led more by, lead more like and lead more to Jesus" and/or personal, team and organizational leadership.

Here are two approaches:

- Focus on "led more by Jesus" then rotate to "lead more like Jesus" then "lead more to Jesus" each month or on a set timeframe. Same can be done for "personal", "team" and "organizational" leadership themes.
- If you are looking to go through a resource as a group, survey the group for themes and topics that are felt needs/areas of interest and make a schedule and plan forward.

Identifying Resources

In terms of identifying resources, you can search popular podcasts, Ted Talks or Harvard Business Review.
