In order to do that you need to break through many competing demands and complexities which cause confusion and can be overwhelming.

For more than thirty years Arrow has been positioned to help leaders break through barriers and Lead Different. We believe every Christian leader should have a clear path to leading confidently and courageously with Jesus at the center. We exist for leaders who want more, more of Jesus and more of his Kingdom. We walk alongside leaders who long for more Jesus-centered coaching, content and community. Are you ready for more? We are ready for you!

Why the Arrow Leadership Program™ and Why Now?

We are in a season of chaotic change.

Our organizations need leadership like never before.

We need leaders today who know who they are and why they exist, and with the energy and focus to lead into an unknown future.

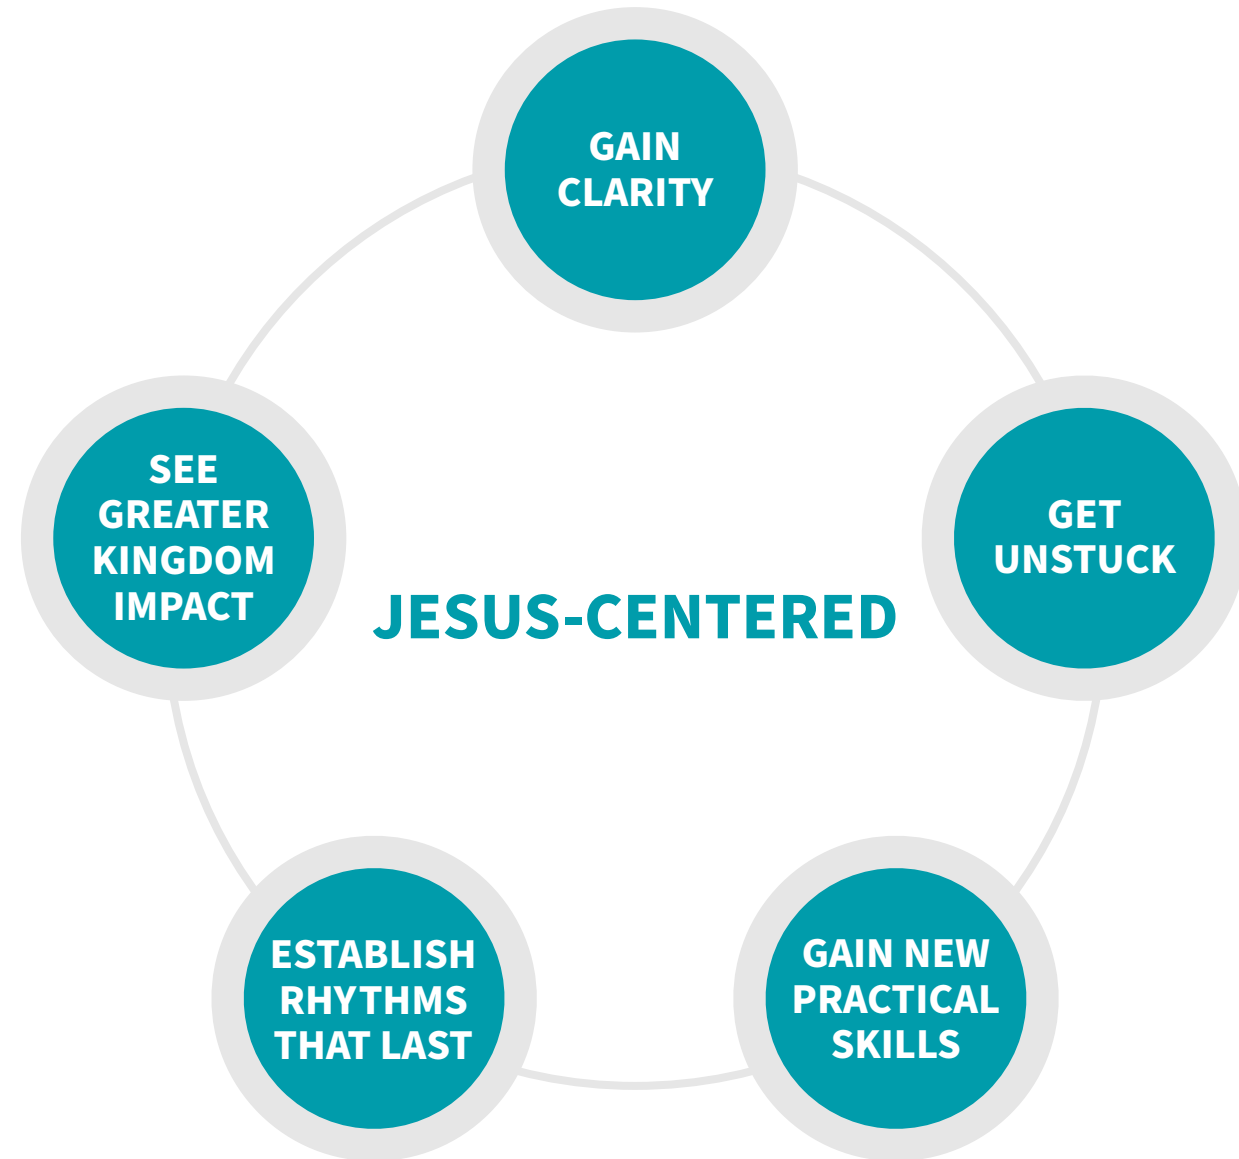

We know that as a leader you want to keep growing and stay sharp. We also know you want to emerge from this season stronger and more focused on the mission God has given you.

We invite you to lean into the Arrow Leadership Program™ during this season of your leadership.

“He made my mouth like a sharpened sword,
in the shadow of his hand he hid me;

”

I experienced a deeper walk with God. I was reaffirmed that He has called me in this season as a leader of his people. I would choose Arrow over and over again because it has been so transformational. I not only formed close relationships with my classmates, but relationships were strengthened back home. I am so excited and anticipating how God is going to use this journey 10 years from now!
