Isaiah 49:2

He has hidden me in the shadow of His hand, I am like a sharp arrow in His quiver.

Arrow Leadership™ develops Jesus-centered leaders who are led more by Jesus, lead more like Jesus, and lead more to Jesus.

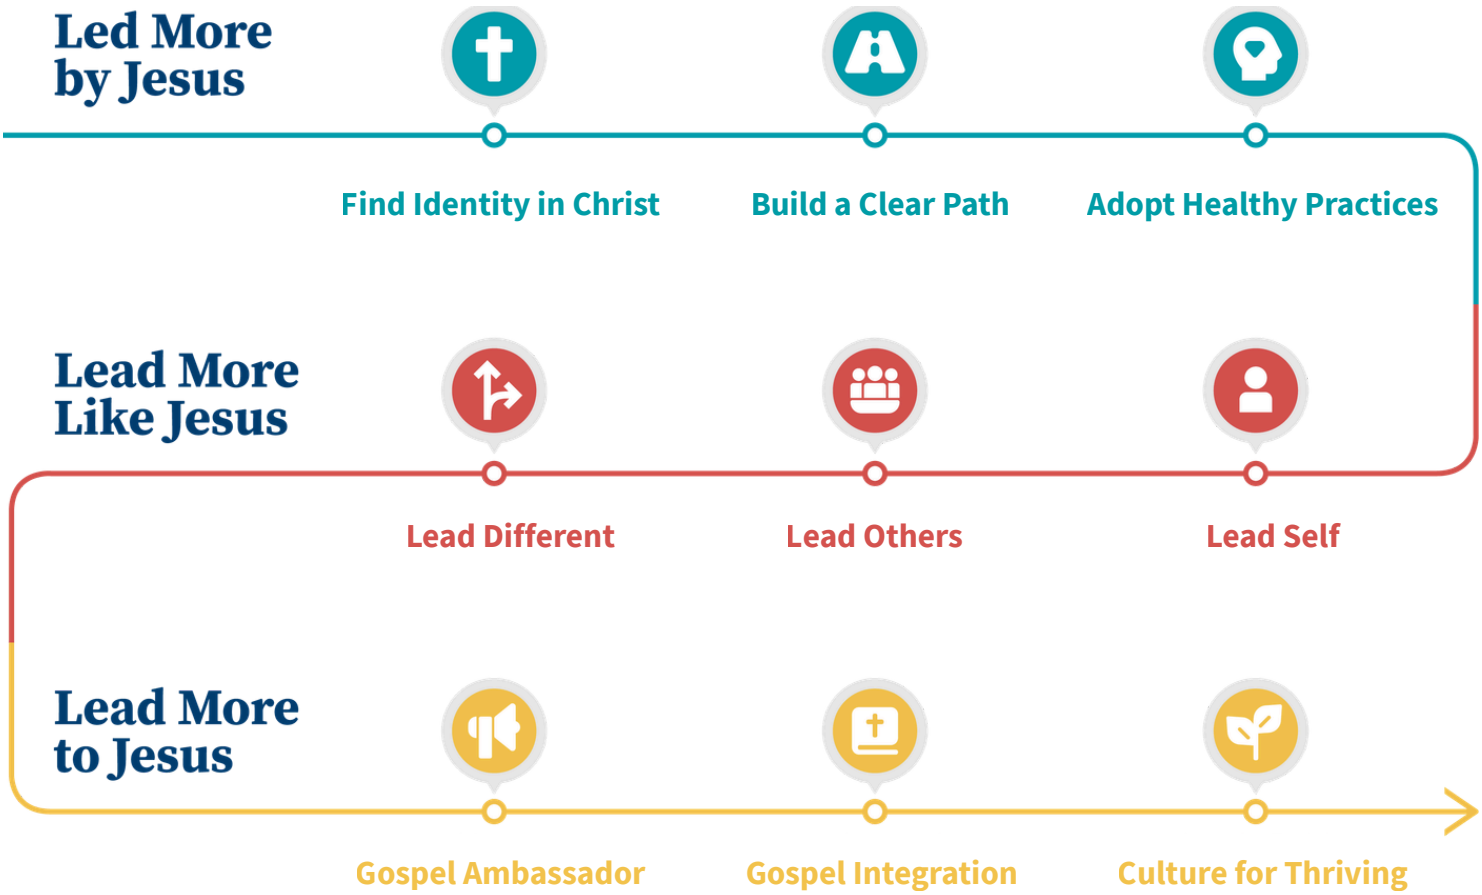

The Program

The Arrow Leadership Program™, Emerging Stream is designed for proven Christian leaders (25-40 years old) who want to see more of Jesus in their life and leadership. Leaders will gain practical leadership skills, spiritual development, and a personal leadership plan. The Arrow Leadership Program™ is designed to work alongside your full-time work, with a manageable workload immediately applicable to your current context. This 15-month journey includes a 4-layer mentorship model and a class sized intentionally to maximize your investment. Certificates are awarded upon completion, and a transcript track is available if you are pursuing an academic degree.

Leader Testimonials

It has cemented my call into leadership and helped me to walk in the humble authority I have been given by God. While much of the future is uncertain, Arrow has given me the tools to move forward to whatever is ahead.

Amy Fitchett, Church Leader

I've discovered more of my values and vision, received practical tools, been guided through decisions, and discovered new things about how God has created me.

Adrian Warkentin, Non-Profit Leader

I'm more at peace and I'm more dependent on Jesus. I'm living and leading with a lot of freedom and hope.

Rebekah Rood, Missions Leader

The most impactful thing for me during one of my Intensives to become a more Jesus-centered leader was being in fellowship with God for such a sustained time, which made me hungrier for more.

Shelli Streeper, Church Leader
